Connecting People with Opportunities

February 2013

Two are better than one, because they have a good reward for their labor. Ecclesiastes 4:9

Calling the twelve to him, he began to send them out two by two. Mark 6:7

After training new leaders to start new churches in El Salvador and Belize we are now facing problems such as where to gather new believers.

God answered our prayers in 2010 when we had the great blessing of meeting Rick & Ruth Odess. They're a couple with a desire to serve where others don't want to and where we need to build churches to congregate new believers.

The action began immediately. Rick, along with a small but strong team of servers, came to Belize where we built a place in which the new church gathers today. The same happened in El Salvador. Another group of courageous servants accompanied Rick to follow up on the building of our central church where more than 300 people praise God today.

With his spirit of service, Rick has spared nothing, giving his all for God's work, which complements the evangelism work we've been doing in El Salvador and Belize.

Now I can see Ecclesiastes 4:9 fulfilled in my ministry by having Rick as my teammate, the results of the work of two are greater than one.

Much more work to accomplish

Rick and I have much more to do, as there are more places where churches are emerging.

- In Soyapango, El Salvador, Pastor Hugo Palma needs a building to gather his congregation.
- The church in Ciudad Real, El Salvador, with Pastor Oscar Alvarado has no place to meet.
- The church of Santa Adela is meeting outdoors because they have no building.

The list goes on, both in El Salvador and Belize. You can be part of this great mission to help us build new church buildings. Come with us and you will see how the results of the work for the church of God are best accomplished when more of us are on the team.

Your missionaries,

Nelson & Consuelo along with Rick & Ruth Odess
